

Invest in the Future

2020 Special Release of Naming Opportunities

The Library Green

\$3 Million

Located in the very heart of the village and crowned with a beautiful gazebo, the library green hosts our summer concert series, Plein Air event, and annual family clambake, just to name a few special events. Always a focal point of activity during holiday and village events.

The Main Meeting Room

\$1 Million

One of the most comfortable and popular meeting rooms on the Cape. Centrally located, handsomely decorated and host to art exhibits of interest, the Osterville Library's main meeting room can accommodate a group of over 100 complete with a kitchenette to stage refreshments. State of the art audiovisual capabilities round out the package. Non-profits, local groups and businesses alike use the space for monthly meetings and special presentations. The space also host the majority of the library's education and informational programs.

The Innovation Center

\$600,000

From concept to reality. Inspiration abounds for young and old alike in the Osterville Village Library's Innovation Center. Virtual reality arrays allow you to immerse yourself in geography and history. 3D printing brings a computer concept to tangible reality. Our ChromaKey green screen creates the school project you never thought possible. Frequent programs are held to showcase and share the latest technological wonders.
